

K-Love is a wonderful, christian, commercial-free radio station in my community. If K-Love were to be displaced by an LPFM broadcaster our community would be forced to listen to the other christian stations that are sponsored by public commercials. I don't want to be forced to hear public commercials mixed with my music on my Sabbath, I don't agree with that and I know that I'm not the only person who shares that view. We need K-Love to continue in our area.
